Dear Mrs. Miller:

I'm the DNR project manager for the Miller's Liquor environmental clean-up project.

You have probably heard that Seymour Environmental was sold this year, which leaves your project without an environmental consultant. Robyn Seymour, the proprietor of that business, sadly passed away last year.

I am checking to see if you have hired a new environmental consultant and what next steps you are planning for the project. I am looking forward to working with your new consultant and sharing with them some recommendations for moving the project forward.

Please let me know about your new consultant **as soon as possible** and let me know if you have any questions. I can be reached at the address on the letterhead, at 608-219-2181, or cynthia.koepke@wisconsin.gov. Thank you!

Sincerely,

Cynthia L. Koepke, P.G.
