SUBJECT: Approval of Change Order #4,
Gunderson Cleaners, 907 S. Green Bay Rd, Neenah
WDNR BRRTS#02-71-467001

Dear Mr. Gunderson:

Your proposed change order is approved. You may proceed with the proposed work. The DNR received the proposal titled Change Order #4 prepared by Fehr Graham and submitted on your behalf on May 29, 2018.

The work includes the installation of one, two piezometer well nest to define the eastern extent of the groundwater contaminant plume and one piezometer on the southern boundary to define the vertical extent of groundwater contamination to the south. The costs for two (2) rounds of groundwater sampling for the groundwater monitoring network is also included.

Cost approved for this change order is \$18,727.00 for consulting and \$13,825.00 for sub-contractors, for a total of \$32,552.00 for consulting and sub-contractor costs. The total cost approved to date for this site is \$555,475.00

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.
