Dear Ms. Stoltz,

A bid deferment/variance request is being submitted for having a Professional Engineer conduct a file and closure request review and to sign the closure package (as required by the state) for the subject property located at 413 2nd Avenue SW in Milltown, Wisconsin. The cost estimate is as follows:

METCO is requesting a bid deferment/variance in the amount of **\$510.00** to complete the above review. Upon state and client approval of the proposed workscope and budget, METCO will proceed with the project.
