RE: Commerce Number: 53206-3021-02  
DNR Reference Number (BRRTS): 03-41-506431

Dear Claimant:

The Department of Commerce has received your request to access the Petroleum Environmental Clean-up Fund Award (PECFA) Program. Your request identified the above site for a petroleum contamination clean up.

Assigned to this site, for claim identification purposes with this office, is the PECFA claim identification number: **53206-3021-02**. **Please include your assigned PECFA claim identification number with all correspondence** to our Department and on all forms in the spaces provided.

From the information available to the PECFA Program, it appears that a discharge from the tank system is **eligible** under the PECFA program for petroleum contamination clean-up costs, however, a **final determination of site eligibility will be made at the time of claim review**. The tank system(s) identified as inclusive with this eligibility finding is/are: 920435, 920442, 920443, ELIGIBLE.

The program deductible is based on a per "occurrence" (contamination plume) basis. An "occurrence" is defined as a contiguous contaminated area of one or more petroleum products. The number of occurrences for this site has not been determined; a final determination will be made at the time of claim review. The tank type classification that your eligibility falls under is: UNDERGROUND MARKETER. Please read the explanation regarding your tank type in the enclosed brochure.

The cost of remedial action, soil testing, clean-up and other costs associated with non-eligible tank system(s) or products are **not** reimbursable under the program. Any PECFA clean-up must be done in the most cost-effective manner possible. All invoices submitted for reimbursement must be adequately itemized to document remedial tasks performed. **A final determination of eligible costs will be made at the time of claim review**.

The necessary claim forms are enclosed for the submittal of your claim to the PECFA program. If you have any questions about the Petroleum Environmental Clean-up Program, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Renee L. Dickey".
