Smith Property, 1102 W. Atkinson Avenue, Milwaukee, WI

Dear Mr. Smith:

Per our conversation on November 2, 2017, I have enclosed two lists detailing registered PECFA consulting firms and consultants in the state of Wisconsin.

As a reminder to you, reimbursement funding will end **June 30, 2020** and any claim submitted after this deadline will not be reimbursed. Your obligation to address environmental contamination associated with this property continues whether PECFA reimbursement funding is available or not. There is a \$10,000 PECFA deductible for this site and no claims have been submitted out of a maximum reimbursement cap of **\$190,000**. Going forward it is possible for environmental work to be done with little out-of-pocket costs to you. I encourage you to contact **Tim Prosa** to learn more about PECFA financial tools available to you. His contact information is:

Email: Timothy.Prosa@Wisconsin.gov - Telephone: (608) 261-7715

If you or your environmental consultant have questions regarding this letter or the open environmental case at this property, please contact me through writing at the letterhead address, by phone at (414) 263-8541, or via e-mail to madeline.salo@wisconsin.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'ms' followed by a long horizontal flourish.
