Good Morning Ron,

Like shoelaces trying to tie up some loose ends before I trip. Thank you for submitting an electronic report in January 2022 for Smith Property BRRTS #03-41-506431. The Smith Property is at 1102 W Atkinson Avenue in Milwaukee.

When able would like to confirm with METCO that the responsible party and property owner is working toward trying to obtain funding for the additional site investigation such as additional groundwater monitoring. Would this information be correct?

I am working toward prioritizing my busy work load.

Thank you for your time, Ron.

Also best regards for a good day.

Andy
