Subject: Mankowski Property/Bain Elementary School 02-30-522702 Historic Fill Exemption 06-30-269300

Hello Sean, Thanks for the information on the proposed stairway at the Bain Elementary School. A Historic Fill Exemption will not be needed for the proposed work. In the material submitted you indicated that soil excavated for the stairs will be sampled for landfill disposal. Please provide the sampling results and landfill disposal receipts so I can include them in our Bureau of Remediation and Redevelopment Tracking System (BRRTS). If you have any questions please email or call the number below. Thanks Tom

We are committed to service excellence.
