Subject: Increased DNR Oversight Fee for Voluntary Party Liability Exemption,
Wausau Cleaners Inc, 1808 W Stewart Ave, City of Wausau, Marathon
County, WI

Dear Mr. Ghidorzi:

Because you are currently conducting a voluntary cleanup and actively pursuing the Voluntary Party Liability Exemption (s. 292.15, Wis. Stats.), I am writing to inform you that the Wisconsin Department of Natural Resources ("the Department") has raised the hourly billing rate at which oversight fees shall be assessed. As authorized by s. 292.15(5), Wis. Stats., and ch. NR 750, Wis. Adm. Code, the Department has authority to assess and collect fees from voluntary parties to offset the costs of the Department activities related to the Voluntary Party Liability Exemption including our time spent reviewing submitted documentation and reports. The Department is required by s. NR 750.07(2), Wis. Adm. Code, to periodically recalculate the hourly billing rate.

The rate has been recalculated and the new rate is \$105 an hour. This new hourly billing rate took effect on July 1, 2014, the first quarter of state fiscal year 2015.

If you no longer intend to participate in the Voluntary Party Liability Exemption Program or you feel you may have received this letter in error, please contact me at the West Central Regional Office in Eau Claire at 715-839-3770. If you have any questions regarding this fee increase or the fee assessment and tracking process please contact me. We appreciate the voluntary actions you are taking to investigate and remediate this property.

Sincerely,
