SUBJECT: Inquiry into Status Remedial Action Plan
Band Box Cleaners & Laundry, Inc., Tomah, WI.
BRRTS#02-42-525072

Dear Mr. Tessman:

A review of the Department of Natural Resources' (Department) Band Box Cleaners & Laundry Inc., file has found there has been no activity at this site with regards to the environmental releases for a significant amount of time. The last contact documented in the Department's file occurred with an April 15, 2014, letter addressed to you from the Department requiring additional actions at the site.

Please submit within 30 days of the date of this letter, a remedial action plan to address all of the issues pointed out in the April 15, 2017, letter to you. Failure to do so may result in the Department's enforcement process being invoked against you.

If you have any questions regarding this letter, please contact me at 715-839-3765 or via email at gina.keenan@wisconsin.gov. Thank you for your time regarding this matter.

Sincerely,

Gina Keenan
