Re: Monthly Progress Report for July 1999
Moss-American Site, Milwaukee, Wisconsin

Dear Mr. Hart:

Roy F. Weston, Inc. (WESTON®) has prepared this monthly progress report on behalf of the Settling Defendant for the Moss-American Superfund site, Kerr-McGee Chemical LLC (KMC). This monthly progress report has been prepared to document progress during July 1999.

Progress During July 1999

Progress during this reporting period includes:

- The QAPP for installation of the groundwater remedial system was submitted to the Agencies on 9 July 1999. KMC/WESTON have received comments on the QAPP from the Agencies.
- The Notice of Intent to discharge treated water to the Milwaukee Metropolitan Sewerage District was approved in a letter dated 20 July 1999.

Activities Anticipated During August 1999

During August, KMC/WESTON anticipate the following activities:

- The following documents are being prepared for submittal to the Agencies:
 - Response to Agency Comments on the Pilot Scale Study for River Remedy.
 - Response to Agency Comments on the QAPP for installation of the groundwater remedial system.
 - NR 103 Alternative Analysis for wetland impacts on the former wood-treating facility.

Mr. Russell D. Hart
U.S. EPA

-2-

10 August 1999

- The letter-style conceptual/interim design information concerning the thermal desorption work. This deliverable has been delayed in order to focus efforts on tasks necessary to move the 1999 remedial activities forward.
- 2nd quarter groundwater monitoring report.
- Procurement of goods and services for the groundwater remedy will continue. A site visit for all prospective bidders will occur during the week of 16 August 1999.
- Necessary vegetation clearing and surveying will occur during the week of 9 August 1999 in preparation for the groundwater remedy installation.

Should further clarification of this progress report be required, please contact me at (847) 918-4142.

Very truly yours,

ROY F. WESTON, INC.
