Re: Monthly Progress Report for January 2011
Moss-American Site, Milwaukee, Wisconsin

Dear Mr. del Rosario:

Weston Solutions, Inc. (WESTON®) has prepared this monthly progress report on behalf of the Settling Defendant for the Moss-American Superfund site, Tronox LLC (Tronox), formerly Kerr-McGee Chemical LLC. This monthly progress report has been prepared to document progress during January 2011.

Progress During January 2011

Progress during this reporting period includes:

- The monthly groundwater treatment system maintenance was performed during the second week of January.
- Site transition tour with Weston and WDNR (all site keys were given to WDNR at that time).

Activities Anticipated During February 2011

During February, Tronox does not anticipate performing any activities. Tronox anticipates this to be the last monthly progress report due to the approved reorganization of Tronox.
