

2/18/16 Called Dianna 920-210-1490

- she sent info to James Moser for reduced deductible / lien last week - she is waiting for a response
- hasn't signed a contract w/ Engel yet until she hears back from Moser / PELFA
- METCO inquired about site - she said it's ok for me to give them her phone + email

Thanks Denise...

Dianna...Just wanted to let you know that we would be very interested in assisting you with this. We have closed such sites in Juneau before. However, if you are already set with a consultant, I completely understand.

Thanks!!

I just talked with Dianna. She has another consultant that she is likely going to work with, however she said it was Ok for me to give you her phone number and email address.

Her phone number is 920-210-1490 and she is cc'd on this email.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Good morning...

A couple of questions for you concerning this site.

Have you gotten a response to the NON you sent on 12/11/15?

Do you happen to have a phone number for Dianna Williams?

I want to try to get this site moving. Due to the time it takes to work with the RP to become their Agent and do the work the DNR is requiring to grant closure, this project needs to start very soon if it is to get done prior to the pecfa sunset.

I will be next sending her another letter to the 207 West Street, Juneau address....Please note that I did find another address for her on the internet (N5052 Arrowhead Trail, Juneau, WI 53039), which I will be sending a letter to also.

thanks!! ron - metco
