- Mayor calling on behalf of prospective buyer - Mr. Perkins
- tank records indicate tank was removed 12/15/88
- DNR received notice of release from Engel in 2004
release form says known soil contamination - no
soil data provided
- would have to define degree + extent
start with small investigation + go from there
- need to identify location of tank + any pump island
- get bids from consultants - who would pay
- our records indicate Dianna Stephens (Williams) is RP
