KEY ENGINEERING GROUP, LTD.
File No. 2403001

Dear Ms. Stovall:

Key Engineering Group (KEY) would like to inform the WDNR that we have been retained as the environmental consultant for the Superior Health Linens site described above. Please make the appropriate change to your file and records to reflect the consultant change.

Please feel free to call us at (414) 224-8300 extension 20 if you have any questions regarding the Superior Health Linens site.

Sincerely,

KEY ENGINEERING GROUP, LTD.
