Re: Langlade Oil Property & Buckley Property

Dear Mr. Sager:

I am writing to let you know that the acquisition of the former Langlade Oil property is currently being reviewed by the Committee and then will go to the City Council for approval.

The City will not be able to make the Application for the liability exemption until after the property acquisition has been approved by the full Council. I am anticipating approval of the acquisition, and once this issue has been decided, I will be in further touch with you to make the Application. In the mean time, if you have any questions on this please feel free to contact me.

Also, once you find out more on the definition of blight elimination as it pertains to the Buckley property, please give me a call to discuss same. I will look forward to hearing from you. Thank you for your assistance on these matters.

Yours truly,

CITY OF ANTIGO

Michael B. Winter
City Attorney
