Subject: Potential Claim Notification for former Highway Cleaner- former Country Hardwood at  
1509 Elm St., Boscobel

Dear Mr. Wittmer:

The purpose of this letter is to acknowledge the receipt of your potential claim notification for the Dry Cleaners Environmental Response Program. As required by State Statute 292.65(4)(d), I am advising you that, based on the preliminary information you provided on the Potential Claim Notification form, I estimate that you are eligible to apply to the program for reimbursement as an agent for your cleanup costs. With the potential claim form and the agent agreement signed the Roths no longer need to be involved in the clean-up process.

Complete information and details of the dry-cleaning program are available on-line at <http://www.dnr.state.wi.us/org/aw/rr/financial/dryclean.html>. Please call me (608)-266-1967 if you have any questions about the program or the reimbursement process. Also at this time there are funds for average sites. More current information on fund availability will come when you receive your acknowledgement letter after sending in your reimbursement request.

Please keep in close contact with your DNR Project Manager, **Linda Hanefeldt** at 608-935-1948, throughout the entire clean up process. Before you begin any work on your project please be sure to have Linda Hanefeld sign off on the site investigation bid. Thank you for participating in this important project for your site and our future.

Sincerely,

Jeffrey Soellner
