Hi Jeff,

We are granting you a variance to the NR 169 Wis. Adm. Code rule requiring competitive bidding for the consultant performing the remedial action at the "Highway Cleaners" site, which is enrolled in the DERF program. Please accept this email as our formal approval of your request, and have Seymour proceed with the next steps.

Jeff,

I am requesting that a variance be granted for section NR 169.11 to allow Seymour Environmental due to the fact that it will save a lot of time and there will not be any additional expense.
