RE: Environmental Sampling at 261 East Hampton Avenue, Milwaukee (“Premises”)

Dear Ms. Michalets:

I am writing in response to your June 9, 2021 letter regarding the above-referenced Premises. We are the owners of the shopping center which leases the Premises to Aliota’s (John Aliota). I have contacted the tenant, John Aliota, and, unfortunately, the tenant is reluctant to grant access to EnviroForensics because, according to the tenant, the last time they were there for testing, they left the space a mess, did not repair the holes they made and caused other damage. Please contact me at 414-477-8174 to discuss. Thank you.

Very truly yours,

Daniel D. Seibel
