Subject: Notice of FID number change for BRRTS # 02-30-543696, FID 230142990

Dear Mr. Yale:

Per a phone conversation with your consultant on April 10, 2006 it came to my attention that the release reported involving the DryCleaner contamination for the Town 'N' Country Laundromat, Inc. was reported under the individual business address and not given the same FID number that is associated with the recent request for an Off-site Liability Exemption request. This has now been corrected.

Please note that both of the following BRRTS number, 02-30-543696 and 07-30-544938 are now listed under the same FID number which is 230142990. Please be sure that all future submittals for either BRRTS number have the correct FID and BRRTS numbers on them so that they can be processed and filed correctly.

I also requested that a copy of the Phase II prepared for the Town 'N' Country Mall Inc. property be submitted so that the review for the Off-site Liability Exemption can be completed.

It has also come to my attention that there are two Hazardous Waste Generator Licenses assigned to this property. Please provide documentation to me regarding what type of waste these are for and where on the property the operations that created this waste are located.

If you have any questions please contact me at 262-884-2341.

Sincerely,

Shanna L Laube-Anderson, P.G.  
Hydrogeologist
