Hi Jim,

I followed up with Sandy Chancellor on the claim and she said the payment was made on March 27, 2020. The letter and payment was sent to the address listed in the attached letter.

Hi Jim,

Sandy indicated to me that she now anticipates that payment for this site won't be made until May or June of 2020. She has not received the February money from DOR yet so has not been able to make the payments for those claims in line ahead of the United Laundries claim yet either. The new estimated payment date spreadsheet is attached which will be uploaded to the DNR DERF website later today.

Hi Jim,

If you go to the following DNR webpage: <https://dnr.wi.gov/AID/DERF.html>, go to the Fund Stats tab on the webpage, then click on the Reimbursement Request Pending [PDF], it will provide estimated pay dates and the amount of requested reimbursement. United Laundries is Rank 4 and Rank 20 on the pending reimbursement requests list. I believe the requested reimbursement amount, as long as all the costs submitted in the claim were DERF eligible, should be the same amount as what you will get.

Hopefully that helps,
