Dear Mr. Richard:

MSA is submitting this letter on behalf of Ms. Heidi Huser, Power of Attorney for Lois Baldwin, to inform the Wisconsin Department of Natural Resources that no additional finances are available to meet the Additional Requirements Needed for Case Closure under Wis. Admin. Code ch. NR 726 listed in the Case Closure Not Recommended letter dated September 23, 2022 for the Laundry Basket site located at 300 South Main Street, Luck, Wisconsin. Ms. Lois Baldwin, the responsible party for the site, was unable to maintain her estate due to a medical condition requiring long term treatment. The estate management was then transferred to Ms. Heidi Huser, Ms. Baldwin's Power of Attorney. A portion of the estate was used to pay for debts incurred during previous investigation activities at the site and additional site investigation. These incurred costs depleted the estate to the extent that the remainder of the estate must now be used in order to continue Ms. Baldwin's medical care. Based on this situation, no additional investigation by the responsible party will be possible in order to pursue closure for the site.

Please contact me at (218) 499-3184 or [mdavidson@msa-ps.com](mailto:mdavidson@msa-ps.com) if you have any questions or if you need any additional information.

Sincerely,  
MSA Professional Services, Inc.
