Dear Mr. Martinez,

Attached to this letter is a copy of the "Wisconsin Unique Well Number" letter's for the above referenced project. The property at 511 Legion Dr. had an existing Wisconsin Unique Well Number (SE137) which is on the enclosed Well Construction Report (Form 3300-077A). The second request letters were sent regular mail on August 18, 2020. A table of the requested properties to access with the Wisconsin Unique Well Numbers assigned is present on Table 1, and is shown on Figure B.1.b.

If you have questions, please call Konicek Environmental Consulting LLC at 262-284-2557.

Dear Mr. Halain,

The first purpose of this letter is to thank you for returning the "Access Permission Agreement" for the above listed environmental project in order to sample the potable well at your property located at 110 S. Lake Ave., Twin Lakes, Wisconsin. The second purpose of this letter is to assign a Wisconsin Unique Well Number (PH682) to that potable well for sampling identification purposes.

Enclosed is a sticker of that identification which needs to be affixed to the water pressure tank on the property. Your property potable well was not listed on the WDNR on-line databases publicly available; therefore, this is why it is being addressed now.

As a reminder, a notification of results letter will be prepared and mailed to you with a table of the test results compared to current state standards, a figure of the property, and a copy of the analytical laboratory report. This is part of the Wisconsin Department of Natural Resources (WDNR) - required investigation at Twin Lakes Laundry and these groundwater sampling tests and vapor results will be paid for by Twin Lakes Laundry (a.k.a., Olsen Properties LLC).
