**Subject:** Former Mirro Plant No. 9 (BRRTS 02-36-545108) - April/May 2021 Proposed Schedule

Hello Adam, Kathleen, Tauren, and Ned;

Ramboll US Consulting, Inc., on behalf of Newell Operating Company (NOC), is providing written notification on the intent to begin environmental drilling and groundwater sampling activities at the former Mirro Plant No. 9 site (the "Site") located at 1512 Washington Avenue in Manitowoc, Wisconsin (BRRTS No. 02-36-545108) in accordance with the December 2<sup>nd</sup>, 2020 Access Agreement between NOC and the City of Manitowoc. The tentative start date of activities is Monday, April 19<sup>th</sup> with private utility locating activities and drilling activities to start after utility clearance. Site work activities are anticipated to take 6 weeks. The proposed environmental activities are presented in the Site Investigation Work Plan submitted to the WDNR on October 16<sup>th</sup>, 2020.

Please let us know if you have any questions.
