Hi Laura,

Yes, it'll be sent to those to addresses. I'd send it by snail mail, but we're working at home and I don't have that snail mail luxury at this time. Once I compile the letter into a PDF file, it'll be sent. That's another luxury I don't have. Turning a Word document into a PDF file. One of our Environmental Program Assistants has to complete the task.

Thanks have a great holiday.

Ms. Conklin,

Could you send me your email address so I can send you a copy of a change order approval letter for Master Drycleaners located at 6326 W Bluemound Road. The DNR is approving additional groundwater well installations for degree and extent at this location. You're on my copy to list for this property.

Could you include Andy Buddle's email address so I can send him the letter also?

Thank you and stay safe.
