Hi again John,

I got my dates mixed up for next week, the injection will actually be by July 28-30. Thanks!

Hi John,

Now that we have this, I confirmed with the chemical contractor and driller that they are available next week (July 27-29) to complete the injection.

If you have any questions before then please let me know. Thank you!

Mr. Dillon:

Please see the attached Infiltration Exemption extension approval letter.

Thank you

Binyoti
