Dear Ms. Lance:

We request approval for a bid deferment at the DairiConcepts site to complete closure application and continuing obligation packets.

We request a bid deferral to complete the following tasks:

- Obtain approval of costs from the WDNR PECFA program for reimbursable expenses to complete the required remedial activities;
- Prepare and submit a primary closure application;
- Prepare and submit four off-site notifications of continuing obligations and/or residual contamination; and
- Prepare and submit a PECFA claim (costs not included).

We are requesting a deferral of \$5,743.97 to cover the costs of this scope of work. I have included a table outlining the additional costs. If you have any questions, I can be reached at 715-861-5045.

Sincerely,
American Engineering Testing, Inc.
