Dear Mr. Verstegen:

Endeavor Environmental Services, Inc. (Endeavor) is providing the following information as a Bid Deferment for the above referenced site. Endeavor is currently completing preparation of the Site Investigation Report (SIR) authorized in the prior Cost Cap Approval. SIR will be submitted in the third quarter 2018. Endeavor would like to continue with the post-remediation excavation groundwater monitoring program with collection of a third quarter event.

Proposed Scope of Work

Endeavor will perform four quarterly rounds of groundwater monitoring on the entire monitoring well network with sump and potable well testing on the final round. Endeavor will assess contaminant trends upon completion of each sampling event. Upon completion of the required groundwater sampling activities, Endeavor will prepare a project update including contaminant extent figures and updated historical data tables. Scope includes proper disposal of generated investigative waste (purgewater).

Endeavor will perform the above outlined activities following the U & C cost schedule (#24) as outlined below:
