Hi Stephen and Deana Vandermause,

Westwood is scheduling the vapor sampling event for Wednesday May 12, 2021 and will be onsite between 8-9AM (weather dependent). Westwood field crew are planning collecting vapor samples from the previously installed vapor pins. Once vapor sampling is complete, the pins will be removed and sealed with concrete. If you have any questions regarding this process, please feel free to reach out. My contact information is listed below.

I will be sending out a reminder email on Monday.

Thanks,
