Dear Ms. Dierickx,

Maximum total reimbursement allowed per site is \$500,000 per s. 292.65 (8)(f), Wis. Stats.

A decrease in the amount of revenues in the Dry Cleaner Environmental Response Fund has resulted in insufficient funds to pay current claims. As a result, I am unable to send the reimbursement until there are sufficient revenues in the account. As the bulk of the fees are paid to the fund on a quarterly basis, I will disburse funds on or about: February 1, May 1, August 1 and November 1. Each quarter, eligible claims will be paid the order received. I estimate that payment will be made on this claim in the November 2019 disbursement. **Please note that it may be earlier or later depending on revenue levels.**

If you would like to keep track of where your claim is in our payment queue, that information can be found on the DNR's DERF website at: <https://dnr.wi.gov/Aid/DERF.html>. Click on the **Fund Stats** tab, **Reimbursement Requests Pending**.

Once funds are available, the reimbursement check for this claim will be mailed to St. Vincent de Paul, Inc. at the address listed above. If you have questions about the audit, please free to contact me at (608) 266-1967 or sandra.chancellor@wisconsin.gov.

Sincerely,

Sandy Chancellor
