Dear Ms. Owens:

On January 30, 2015, you were notified by John Sager-former project manager of your responsibility to investigate and, as needed, clean up contamination located at the above-referenced property. A copy of this letter is attached for your review. As owner of this property you have certain legal responsibilities, as outlined in Section 292.11(3), Wisconsin Stats., also known as the hazardous substances spills law. Section 292.11(3) states:

- **RESPONSIBILITY.** A person who possesses or controls a hazardous substance which is discharged or who causes the discharge of a hazardous substance shall take the actions necessary to restore the environment to the extent practicable and minimize the harmful effects from the discharge to the air, lands or waters of the State.

Wisconsin Administrative Code chapters NR 700 through NR 749 establish requirements for emergency and interim actions, public information, site investigations, design and operation of remedial action systems, and case closure. Wisconsin Administrative Code chapter NR 140 establishes groundwater standards for contaminants that reach groundwater.

Please contact me within thirty (30) days of this date with an update. I can be reached at (715) 365-8942, email: [Carrie.Stoltz@wisconsin.gov](mailto:Carrie.Stoltz@wisconsin.gov) or you may send an update in writing to my attention at the address listed above. Thank you for your cooperation in this matter.

Sincerely,

Carrie Stoltz
