Tim,

Do you have a map showing the locations of these ambient air samples on different floors?

Thanks,

We are committed to service excellence.

Morning Dave,
Attached for your review/records is a historical summary of CVOC ambient/sub-slab analytical at Clare Central, including the September 2016 sampling.
Positive is there are no VAL exceedances.

Thank you,
Tim

Hi Dave,
Attached is the supplementary site investigation data transmittal for review/comment.
Let me know if you have questions, and/or you'd like a hard copy.
Thanks,
Tim
