Adam;

I realize that you may not be able to attend the public hearing tomorrow at the City of Milwaukee Public Works building located at 3850 North 35th Street, just south of West Capitol Drive, Milwaukee, Wisconsin. The public comment period ends on June 30, 2022. It would be appropriate for you to email me a positive comment in support of this cleanup which WDNR has approved.

Your email comment can be short and simple and specifically in support of Telos, Inc./ School Sisters of St. Francis efforts to clean-up this contaminated property and alley.
Thank you for your consideration and support for this clean-up.
