Subj: Town of Grafton Update

A meeting is scheduled for Monday April 14 (time: late a.m.) with Senator Panzer, Village of Grafton (village president), Town of Grafton (town chairman), and Manchester Drive contaminated well owners and their legal representation (Art Harrington and Diane Marchik). SER participants will be Walt Ebersohl, John Feeney, Chad Czarkowski, Jim D'Antuono, and Sharon Schaver.

The purpose of the meeting is to discuss both long and short term options for replacement water supplies and the potential involvement of USEPA in an emergency response action.

As of this morning, John Feeney working with Mary Ellen Franson and Walt Ebersohl had a signed contract for the emergency treatment unit to be installed at the Al and Rita Hospel residence. Glen Schluetter DCOM - treatment device approvals will be forwarding a schedule for evaluation of the treatment unit. DG program will collect and pay for the required bacti and inorganic monitoring; Division of Health will pay for the required VOC monitoring.

We are waiting for laboratory results from the most recent samples collected by Chad Czarkowski and will provide an update when they're received.
