Dear Buck:

Pursuant to the conversation we had this morning, I am enclosing a copy of all of the information that I have regarding the Manchester Drive situation. The Village's first substantive contact with the issue occurred last Wednesday when we met with representatives of the Wisconsin Department of Natural Resources and the property owners located on Manchester Drive. I have enclosed the sign in sheet and my handwritten notes outlining the conversations. Also enclosed is the proposal that we received from Art Harrington as well as correspondence that I received from him today. The DNR's response to Mr. Harrington is also enclosed. I apologize that this is getting to you late. I will see you at about 5:15 so that we can discuss this a little bit before we go to the meeting.

Very truly yours,
