Dear Mr. Sweeney:

Subject: Village of Grafton

As you informed me in our telephone conversation today, the Village of Grafton is considering proposals from consultants for groundwater investigation at Lime Kiln Park. The department requests that you inform us by May 23 if the Village intends to proceed with their own investigation. If not, I need a signed access agreement to drill at Lime Kiln Park so the department can begin the process of conducting our own investigation. The Village may not proceed with an investigation until I approve the investigation workplan.

If you have any questions about this letter, call me at 414-229-0850.

Sincerely,

  
John Feeney  
Hydrogeologist
