SUBJECT: Lime Kiln Park, Grafton

Dear Mr. Schroeder:

At our meeting on April 14 at the Grafton Village Hall your consultant presented the preliminary results of your investigation to the department; however, we have not received a written follow up. Please have your consultant submit a brief report by August 7. It should include well logs, laboratory reports, and a table of water chemistry results and well depths. The final report should be submitted to the department by September 4.

If you have any questions about this letter, call me at 414-229-0850.

Sincerely,

*John Feeney*
