Subject: **Village of Grafton – Lime Kiln Park Investigation**
Earth Tech Project No. 101688

Agenda

Dear Mr. Feeney:

Please find enclosed three copies of the Site Investigation and Preliminary Remedial Action Identification Report for the Lime Kiln Park in the Village of Grafton, Wisconsin dated January 1999. The Report includes a site investigation as described in the October 1997 Work Plan approved by the WDNR for this project, with subsequent additions as agreed upon by telephone and correspondence.

Upon your review of the enclosed information, Earth Tech and the Village of Grafton Representatives wish to meet to discuss the project, the Report, and the future actions that are required at the site. We will move forward with the groundwater monitoring plan outlined in the Report, in order to obtain site data and continue to protect residents in close proximity to the affected area. The first round of sampling is scheduled for June 1999.

If you have any questions regarding this document, feel free to call me at 920-451-2465.

Very truly yours,

Earth Tech, Inc.
