Subject: Lime Kiln Landfill Report

Hi John,

I've forwarded the June 2005 report on the Lime Kiln Landfill to you. It addresses the 2004 sample results and makes recommendations for future site monitoring. It addresses each of the points you noted in your letter dated August 10, 2005 to the Village of Grafton.

I sent the report to your address in Plymouth. I sent it to Milwaukee as you had previously requested. However, it was returned once, and the re-sent report obviously has not reached you to date.

We have recommended that monitoring continue at the site, and will work with the Village to continue site monitoring and evaluation.

If you have any questions or comments, please do not hesitate to call or e-mail.
