Subject: Tentative agenda for Village of Grafton Enforcement Meeting

Village of Grafton Meeting

Wednesday May 23rd, Room 139 SER HQ, Milwaukee, 10:00, 9:30 pre-meeting

(feel free to change or add to this)

1. West Plume: Is the Village Willing to do investigation and remediation (if needed) at the 2076 (Milwaukee Sign) property?

Hire an Environmental Consultant
Phase 1, 2, on the property, then a follow up 716 Site Investigation if needed
Resume sampling at-risk water supply wells along Green Bay Avenue

2. East Plume/Lime Kiln Plume: Is MW-8 still increasing in concentration for vinyl chloride?:

We need sampling reports for 2005 and 2006 data. RR program does not use GEMS, submit biannual sampling paper report.

Was an evaluation done on trends in MW8 as stated in the June 2005 report?
