Dear Mr. John Hnat,

In speaking with Ms. Shelly Fox she has suggested to seek financing in order to start the investigation. At this time I do not personally have the funds and therefore I am in the process of applying for funds to start the site investigation.

I will inform you when I hear the results from the loan application process.

If you should have any questions please contact me at 414-332-5560.

Sincerely,

Charles Mathers
