During a quick review of the above stated file, I noticed that the Department has not received a status update for your site in a number of years. The Department understands that you may have not caused the contamination however according to Portage County Tax department you are currently the property owner. I am providing the link to the WDNR web site showing the actions that have occurred at this location <https://dnr.wi.gov/botw/GetActivityDetail.do?siteId=19577900&adn=0250550910> .
