Dear Mr. Grimm:

Subject: Case closure, One Hour Martinizing, 1100 North Port Washington Road, BRRTS #0246551064, FID #24618000.

Thank you for submitting a closure report for additional remedial action work that you had done to get closure for this case with no GIS registry needed. The department considers this case to be closed. No additional site investigation or remedial action is needed regarding the release of dry cleaning solvents at this site. Should unforeseen environmental concerns occur in the future that may be related to this release, this case may be reopened pursuant to s. NR 726.09, Wis. Adm. Code, if additional information regarding site conditions indicates that contamination on or from the site poses a threat to public health, safety or welfare or the environment.

If you have any questions about this letter, please call me at 920-892-8756 extension 3023.

Sincerely,

John Feeney
