Dear Ms. Ryan:

At the request of our client OHM, LLC, we are informing you that EnviroForensics has been retained by OHM to take over the geological and engineering activities on the above referenced project.

EnviroForensics is authorized to contact you on behalf of One Hour Martinizing with regard to the environmental investigation and remediation at this site as required under Section 292.11, Wisconsin Statutes, known as the hazardous substances spills law. EnviroForensics will perform this work out of its Inverness, Illinois office.

Please contact me at 866-888-7911 or Krishna Mayenkar at 847-842-1470 with any questions or directives that you may have concerning this site.

Thank you for your attention to this important matter.

Sincerely,

A handwritten signature in black ink that reads "Stephen R. Henshaw".
