SUBJECT: Approval of Change Order # 6  
Village Cleaners, 821 E Main St, Menomonie, WI  
DNR BRRTS Activity # 02-17-552037  
WDNR FID # 617044780

Dear Mrs. & Mr. Bodoh:

Your proposed Change Order #6 is approved. Your consultant may proceed with the proposed work. The DNR received the proposal titled **Change Order 6** prepared by Cedar Corp. and submitted on your behalf on April 4, 2018 and the amended request on June 22, 2018.

The proposed activities include two rounds of groundwater sampling of six monitoring wells. One round of vapor intrusion sampling at three residences with a second-round if needed. Second round vapor sampling costs not included in this approval. Also included in this request are costs associated with closure request preparation and well and system abandonment cost. These costs are approved pending final closure approval. Two non-reimbursable costs, the closure review fee and GIS registry fee were listed but not included in the final dollar amount. Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges.

Cost approved for this Change Order #6 is \$8,530 for consulting and \$3,354 for sub-contractors, for a total of \$11,884. The total cost approved for the remedial action at this site now stands at \$27,696.44 for consulting and \$65,486.50 for sub-contractors, for a total of \$93,182.94

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.
