Subject: Care'n Cleaners - ready to close, final steps

Hi Chris and Cal,

The closure committee reviewed the case and agreed it can close. A few items remain.

You will need to abandon the monitoring wells and confirm there is no project-related waste on site. Let me know if you need a DERF cost approval for this.

We will require revisions to the closure request. Our QC staff are reviewing it, and I will let you know the results later.

Regards, Jeff
