Subject: Cost Recovery Waiver Decision for So's Dry Cleaners (Former), 304 W. Wisconsin Ave., Appleton, WI, BRRTS #02-45-552133

Please retain this email for your records.

The purpose of this email is to share with you, Sterling Enterprises of Wisconsin, LLC, that DNR will not attempt to recover costs incurred during the sewer vapor investigation from you as owner of the property at 304 West Wisconsin Avenue, Appleton, Wisconsin. This includes work performed under the Vapor Intrusion Zone Contract for a vapor investigation and any subsequent mitigation costs for the So's Dry Cleaners (Former) site, BRRTS # 02-45-552133. This decision does not apply to other individuals or entities.

This decision does not apply to costs beyond the Vapor Intrusion Zone Contract for additional investigation, mitigation and/or remediation if deemed necessary in the future. The DNR will notify you in writing with a new *Notice of Intent to Incur Expenses* if additional work is planned beyond the Vapor Intrusion Zone Contract and a separate decision will be made regarding cost recovery.

Please contact me via email or phone with any questions as the investigation progresses. Thank you for your cooperation with this effort.

We are committed to service excellence.
