Dear Mr. Martino:

Subject: Approval of your consultant selection of Terracon, Martino's Master Dry Cleaners, 3917 52<sup>nd</sup> Street, Kenosha, file reference FID #230007030, BRRTS #0230552186.

Thank you for submitting your bid analysis and form for site investigation work at your above named dry cleaner property in November. I approve your selection of Terracon. Though this was not the low bid, as explained by your representative, it was within about \$500 of the low bid and includes a significant amount of additional sampling. I approve the scope of work represented by this bid.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the NR 700 series, Wisconsin Administrative Code, hazardous waste management and wastewater discharges. This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Fund process. Final determination regarding the eligibility of costs for reimbursement will be made at the time of claim review.

If you have any questions about this letter, please call me at 920-892-8756 extension 3023.

Sincerely

John Feeney
