Dear Mr. Martino:

Subject: Status update request, Martino's, 7513 41<sup>st</sup> Street Kenosha, file reference FID #230067090, BRRTS #0230552188.

The department has not heard from you regarding your progress to remediate this site since I approved your selection of Terracon as the consultant in 2008. Please have your consultant provide me with a status update of this case and when the needed work will begin. It should be top priority to assess the potential for vapor intrusion of dry-cleaning solvent vapors into the nearby occupied businesses and residences.

If you have any questions about this letter, please call me at 920-892-8756 extension 3023.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Feeney'.
