Subject: Update Request & Insurance Archaeology - Imogenes Cleaning Center, BRRTS # 02-60-552193

Hi Ted,

I left a voicemail for Roger Dulmes requesting an update for the Imogenes Site, and wanted to follow up with an email to you since I don't have an email address for Roger.

Last month I was contacted by the DERF fund manager, Sandy Chancellor, who let me know that Roger Dulmes was selling the business to someone who will continue to operate it as a drycleaner. Would you or Roger be able to provide an update on whether this transaction occurred, and if this was for only the business or the real property as well?

I also wanted to provide you with contact information for a company that performs insurance archaeology and may be more successful at uncovering an insurance policy:
