SUBJECT: Approval of DERF Interim Action
Tidy Cleaners & Laundry, 818 South Broadway, Green Bay, WI
BRRTS # 02-05-552220

Dear Mr. Mohr:

On April 22, 2024, the Wisconsin Department of Natural Resources (DNR) received a Drycleaner Environmental Response Fund (DERF) interim action cost approval request titled "Vapor Mitigation System (VMS) Installation and Remedial Action Options Report (RAOR) Proposal" (the Proposal) prepared by Fehr Graham and submitted on your behalf. **The Interim Action is approved**, and you may proceed with the proposed work.

The Proposal includes installation of a sub-slab depressurization system (SSDS) for vapor mitigation. Cost approved for this proposal is \$7,760 for consulting and \$8,700 for sub-contractors, for a total of \$16,460. The total cost approved for this interim action is \$16,460. The total cost approved to date for this site is \$69,239.

Please be aware that you are required to comply with all applicable statutes and administrative rules including the Wis. Admin. Code NR 700 series.

This approval does not guarantee the reimbursement of costs under the Dry Cleaner Environmental Response Program (DERP). Reimbursement is contingent upon availability of funding and a final determination regarding the eligibility of costs at the time of claim review.

If you have any questions regarding the content of this letter, please contact me at 920-366-5685 or josie.schultz@wisconsin.gov

Sincerely,

Josie Schultz
Hydrogeologist
